

# Export Operations Team hosts delegation from KPC

KOC's Export Operations Team hosted a delegation from the Crude Oil Sales Team at KPC, with the aim of introducing the Team's tasks and activities.

At the beginning of the visit, TL Eng. Hussain Al-Saeid welcomed the visiting delegation, expressing his readiness to cooperate with the Corporation in everything that would achieve its goals through exchanging visits and continuous communication.

During the visit, specialists from KOC gave a visual presentation of the documentation and processes through which crude oil is exported at all stages, while the visiting delegation gave a presentation detailing the tasks performed by the Crude Oil Sales Team.

The meeting also included an extensive discussion regarding oil export operations and related matters, before the delegation concluded its visit with a field tour of the crude oil export operations room and the southern tank hangar.
